

Marina Hsiao, Certified Oncology Massage Therapist

Huntington Cancer Center

Huntington Pavilion North Lobby, 625 S. Fair Oaks Ave., Suite 100, Pasadena, CA 91105

Marina's expertise in oncology massage includes:

- Lymphatic drainage and Swedish massage: supports lymphatic flow, improves circulation, boosts energy, and reduces muscle and joint pain
- Acupressure and yoga stretching techniques: Relieves pain, improves range of motion, softens scar tissue
- Reflexology and manipulation techniques: Reduces numbness and tingling in feet, hands, and relieves stress
- Face meridians, lymphatic massage and Lomi Lomi: Boosts energy, improves quality of sleep, and relieves stress
- Other methods applied based on clinical assessment, including aromatherapy
- Oncology RN background
