

## *Your feedback makes Huntington Hospital better.*

Huntington Hospital is committed to providing compassionate community care. We want to ensure that each patient receives the best quality health care and experience.

After your discharge, you may be sent a survey regarding the care you received at our hospital. When you receive it, please take a few minutes to provide your feedback. By sharing your thoughts and feelings, you can help us improve the care we deliver.

*Thank you.*

**John M. Corman, MD**
